Dear Sir:

The Executive Committee of Friendship-Tenleytown Citizens Association supports District of Columbia application 16813 in regards to the Tenleytown Firehouse at 4300 Wisconsin Avenue for a variance from its present zoning. This would be in the interest of public safety, enabling the Fire Department to obtain a larger, modern firehouse equipped to house larger modern fire equipment. This is needed to serve the needs of the people of this community.

Sincerely,

Marvin Tievsky, President
