Re: Application 16815, Adams Alley LLC

To Whom It May Concern:

I am writing to request party status in the above-styled matter.

1. My name is Ruth Eisenberg. Since 1987 I have owned and occupied a home at 1720 Euclid St., NW, Washington, DC.

2. I will appear as an opponent of the application.

3. I will not appear through counsel.

4. I live approximately 100 feet from the property that is the subject of the application.

5. If the application is granted, I will affected by the increased in vehicular and pedestrian traffic in the alley adjoining my property and the decreases in light, air and ventilation. I frequently drive the alleys on which the applicant's property is situated for driving to off-street parking, walking, playing with children, trash removal, and utility repair. In addition, my southern view of the District, including the Washington Monument, will be eliminated if the application is approved. Because of where my home is situated, I believe that I am distinctively affected by the proposed development.

Thank you for your consideration.

Sincerely,

Ruth Eisenberg
