SUBJECT: BZA Application No. 16817

DATE: January 23, 2002

On January 22, 2002, the Board of Zoning Adjustment reviewed the application of Capital City Public Charter School (previously known as the Barbara Chambers Children's Center) at 1470 Irving Street, N.W. Prior to making its decision on the application, the Board is seeking the input of the District government agencies that would be involved in determining if the application is capable of meeting licensing requirements, or any other pertinent information that would assist the Board with its fact finding.

The applicant has asked that a decision on the application be made at the earliest possible date; therefore, an expedited review would be appreciated. Please provide your comments by **February 8, 2002.** The Applicant's attorney is John Patrick Brown, Jr. with the law firm of Greenstein, DeLorme & Luchs. Mr. Brown may be reached on (202) 452-1400.

This request is being hand delivered to you because of the short turn-a-around time. Beverley A. Bailey is the project manager working on this case. She may be reached on (202) 727-0364 for additional information.
