Request for Party Status

Dear Ms. Cross-Reid,

The Stanton Park Neighborhood Association (SPNA) is a long-established, non-profit organization representing the residential community in the area bounded by East Capitol, Second Street, H Street, and Tenth Street in the Northeast sector of the District of Columbia.

On Monday, January 7, 2002 we became aware of an application for a Special Exception on the referenced project. At this time SPNA has not taken a position on the proposal and we are attempting to learn more about the project. However in order to protect the interests of the neighborhood we request Party Status for SPNA. SPNA has an interest in this development to assure that the request does not impose an inappropriate burden on the surrounding residential community.

SPNA will be represented by a Co-Chair of the Land Use Committee, Mr. Monte Edwards.

Thank you in advance for granting our request for Party Status.

Sincerely,

Drury Tallant
