Mr. Jeffrey Griffis
Acting Chair, DC Board of Zoning Adjustment
441 4th St. NW
Washington, DC

Dear Mr. Griffis:

At the regularly scheduled December meeting of Advisory Neighborhood Commission 3C, at which a quorum was present, the commission considered two special exception applications. In each case the ANC Planning and Zoning Committee had reviewed the applications with the owners. After reviewing the projects during the commission meeting, the commissioners approved motions expressing no objection to either application. The properties in questions are:

2926 33rd Place, NW BZA 16822
3615 Davis St., NW. BZA 16816

If you have any questions about the actions taken by ANC 3C please call me at 966-5333. Thank you in advance for extending great weight to the ANC views.

Sincerely,

Nancy J. MacWood
Chair, ANC 3C
