October 18, 2001

Julius Varallyay
2926 33rd Place, NW
Washington, DC 20008

Dear Julius,

This is to confirm our conversation concerning plans for the expansion of your kitchen next door at 2926 - 33rd Place, NW.

We have reviewed the attached plans showing an 8 foot extension in the back of the building right along our property line, and we have no objection to the proposed construction.

We trust this note will facilitate your building permit.

Sincerely,

Harold L. Baldus
Lynn L. Bernardi
