Dear, Ms Jerrily Kress
Mr. Chairman and Member of the Board,

The representative from our block "Riggs Place" and I do not agree on several issues. Therefore we are seeking new attorneys who will be filing a motion our behalf. Reasons are, we live directly across the street (100 feet). She lives three quarters of a block away. Our representative also has a business on the block of 16th street. We want this area kept residential. This is a request for continuance

Asking for continuance to acquire New Representation

Again the person representing the neighborhood also has a business in the neighborhood there for we have very different views of this zoning issue. You will be receiving a letter from my attorneys asking you to give me time to find adequate representation in this case. This letter serves as notice as per instructed by BZA staff.
