Dear Board of Zoning Adjustment,

Request for Party Status

I'm asking the commission to add me as party to the opposition on the Turkish Mansion case #16823. As you recall on Tuesday June 4th the scheduled 1:00 meeting, I had to leave for a period of time because of personal commitments. When I got back, you were just establishing the parties and I was absent at that time.

I believe that a zoning change to this property or to grant a variance would cause hardship and practical difficulty to our resident. Any special exemption would prove difficulty as it relates to noise, parking, and potential crime to our neighborhood. Again, because of the scheduling difficulties on June 4th I could not be on site when the commission was deciding as to who would be parties.

Thanking You In Advance,

Max Salas
