Dear Mr. Griffis:

On behalf of the Riggs Place Neighbors, party to the above captioned proceeding, we hereby request that if the Memorandum of Kenneth Laden, Associate Director for Transportation Planning, dated September 26, 2002, is to be made part of the record in this proceeding, a representative of the District Department of Transportation with actual knowledge of the facts asserted therein be made available for oral examination.

It is our understanding that the Memorandum, while signed by Kenneth Laden, was not in fact prepared by him. Under the circumstances, it seems appropriate that the Department representative who actually did the work be made available for examination.

Very Truly Yours,

Margot Polivy
