Re: Docket No. 16824, Addition to House at 1018 Constitution Ave., NE

Dear Chairman Griffis:

ANC 6A is not taking a position on this matter. Several attempts to contact the homeowner by Single Member District representative Commissioner Marina Martin and the Chair of our Zoning and Licensing Committee, Commissioner Gregory Ferrell, were unsuccessful. Nevertheless we scheduled the matter to be heard at the Commission's January 17, 2002 monthly meeting at Miner Elementary School. This was a duly noticed meeting with a quorum of thirteen out of fourteen commissioners present. The applicant did not appear and at Commissioner Martin's request, the Commission agreed to take no position.

We respectfully request the Board accept this letter which is being submitted after January 22, 2002, the due date for this matter. The monthly commission meeting was scheduled two weeks later than usual and preparation of the letter was delayed.

We appreciate your consideration of this matter.

Sincerely,

Keith Jarrell
Chair, ANC 6A
