RE: BZA Application No. 16828 - Augustana Evangelical Lutheran Church

---

The above-cited application was self-certified requesting variance relief from subsections 3103.2 and 2001.3. Side 2 of the Applicant's Self-Certification Form correctly indicates that variance relief is also needed from section 403 (lot occupancy). Staff also changed the zoning designation from R-5-C cited on the application to R-5-D. The changes do not affect the relief requested in the application. Staff has amended the application to reflect these changes. The Applicant has been notified about the changes.
