Re: BZA Application No. 16828
Augustana Evangelical Lutheran Church
2100 New Hampshire Ave, NW (Square 188, Lot 807)

Dear Members of the Board:

Please be advised that, at the regularly scheduled meeting of Advisory Neighborhood Commission 1B (proper notice of which was given) on December 6, 2001, at which a quorum (seven members required) of eight members were present, the members of the ANC voted unanimously to support the application of Augustana Evangelical Lutheran Church for those variances necessary in for the construction of a structure for an elevator to permit wheelchair access, as detailed in BZA Application No. 16828. As the position of the ANC is entitled to "great weight," we ask that you approve the application for this property within the boundaries of our ANC.

The Commissioners of the ANC expressed their support for a non-conforming addition that was being used to provide greater handicapped accessability. No negative comments were made about the application.

ANC 1B urges approval of the zoning variance necessary to increase wheelchair access to the Augustana Evangelical Lutheran Church. If you should have any questions regarding this matter, I may be contacted on (202) 797-0969.

Sincerely,

Glenn J. Melcher
Chairman
