Case Number 16836

My mother now resides at the Washington Home and Hospice at 3720 Upton Street, NW. I would like to appeal to the Zoning Board to approve the addition of parking spaces on the Home's property.

She has Alzheimer's . She will be there for a long time, God willing. I want to spend some of those times with her. Visiting my mother is not about a 2 hour parking restriction. I want the right to stay until my heart deems I should leave.

Frankly, if the cost is a $50.00 (or more) ticket for each time that I want to spend more than 2 hours with her, I will accept that that's the way it is. I will never accept that that is the right.
