RE: BZA Application No. 16836 – The Washington Home

Dear Mr. Graham:

The Office of Zoning (OZ) received your correspondences dated November 26 and December 10, 2002, regarding the above referenced case (Exhibit Nos. 112 and 118). We welcome your interest in this matter. The Board, however, determined on December 17, 2002, that only specific portions of your submissions would be considered in its deliberation. The information that was not considered in the Board's deliberation was received after the record closed or was not specifically requested. Note that your correspondence will be retained in the case file.

Please be assured that if this case becomes active again, this office will gladly accept any future correspondence that you wish to submit. Once again, thank you for your interest, and we look forward to your participation in future zoning matters.

Should you have any questions or need clarification, please feel free to contact this office on (202) 727-6311.

Sincerely,

JERRILY R. KRESS, FAIA
