Re: Application No. 16836, Request for Zoning Relief for Construction of a 4-bed Addition and Enlargement of Surface Parking from 75 to 173 Spaces

Dear Members of the Board:

At a May 20 meeting of ANC 3F representatives of the Washington Home made a presentation to the ANC on the subject application. Neighbors of the Home also presented their views on the referenced application at this meeting.

ANC 3F will meet on June 17 to determine its position on Application 16836 and to make a recommendation to the BZA. Given that our June meeting will occur only eight days prior to the BZA hearing on this matter scheduled for June 25, ANC 3F respectfully requests a waiver of the filing period. Please be assured that we will make every effort to provide you our resolution and supporting materials as soon as practicable prior to the June 25 hearing.

Sincerely,

Phil Kogan
ANC 3F01
