RE: BZA Application No. 16836 – The Washington Home, 3720 Upton Street, N.W.

Dear Mr. Laden:

The Board of Zoning Adjustment is in receipt of your March 15, 2002 report and your June 25, 2002 supplemental report on the subject application. The Board has held several hearings on the application, the last hearing was held on July 9, 2002. As you may recall, the Washington Home is requesting to construct an addition to the existing building and to increase the number of on-site parking spaces. The Board is scheduled to make a decision on the request to construct the addition to the building on August 6, 2002. However, the Board will continue to hear additional testimony on the Applicant's proposal to increase the number of parking spaces on September 10, 2002.

The Board is requesting that a representative from the Department be available at the September 10, 2002 public hearing to discuss DDOT's findings. Please inform the Office of Zoning at your earliest convenience if someone will be in attendance. Beverley Bailey is the project manager working on this case. She may be reach on (202) 727-0364.

Sincerely,

JERRILY R. KRESS, FAIA
Director
