October 6, 2002

GOVERNMENT OF THE DISTRICT OF COLUMBIA
ZONING COMMISSION
2002 OCT 11 A 10:53

To Whom It May Concern:
I am writing to request more consideration be given to enlarging the parking lot at the Washington Home and Hospice. I am the Admissions Coordinator for the Washington Home and Hospice. People call my office to make appointments to tour the Home. When I come to the lobby to greet the persons, the first thing they say is " I couldn't find a parking space; is it always like this". Of course, I reply by telling them that we are working the parking issue. The visitors that come to see their love ones take many of the spaces. By denying the enlarging of the parking lot, much of the public would have a difficult time since most of they are seniors and they do drive or have someone bring they.
Also I live an hour away from the home. To take public transportation would be next to impossible. I would have to walk at least a mile to the bus that would take me to the metro. Even if I drove to the metro I would have to pay for parking in addition to paying for the Metro. The would average seven dollars a day. This may not seem like much to you but it is for me.
Therefore, I am sincerely asking you to approve the request to enlarge the parking lot for The Washington Home and Hospice. Try imaging that you are an employee or a visitor and cannot find a parking space. I thank you in advance.

Sincerely,

Dollrinia Butler

Dollrinia Butler
Admissions Coordinator
