Re: 1719 5th Street, NW Apartment Project

Dear Boardmembers:

My name is Noel B. Lewis, Jr. and I am a Project inspector Road Construction with the DC Department of Public Works, Engineering & Construction Division. I live at 1718-½ 5th Street, NW, which is directly across from the property at 1719 5th street. For many years, the property and the lot have been vacant and I am very pleased to see that a wonderful development is finally coming to the site. I am in very much in support of having three units at the property. Thank you for your consideration.
