Submitted to BZA

You may recall from our meeting after the BZA Hearing on November 20, 2001 that Mr. Bello was to fax a copy of the application for a certificate of occupancy issued for 5507 14th Street, NW. This has not occurred as yet. I would appreciate your assistance in this regard as I previously mentioned a copy of the application is not in the C/O file and was not part of the BZA case.

I would also point out that I have not received a copy of the documents the applicant submitted regarding the parking plan as promised. I would once again appreciate your assistance in having copies of the documents served.
