SUBECT: BZA Application No.16844
St. Columba's Preschool
4201 Albemarle Street, NW
Washington, DC 20016

The Department of Health, Health Regulation Administration, Child and Residential Care Facilities Division (DOH/HRA/C&RCFD) recommends that the applicant be granted special exception to Condition 3. The said special exception will allow the St. Columba's Preschool to implement afternoon classroom sessions in response the increased demand for preschool/child care slots in the community, and thereby serving to help resolve the current shortage of available licensed child care slots in the District of Columbia.

The facility's child development license will expire on May 7, 2002. The DOH/HRA/C&RCFD will be conducting its annual renewal licensure inspection within thirty (30) days.
