Resolution of non-opposition for the application of 4417 Faraday Place, NW, for a zoning variance

WHEREAS the owners of 4417 Faraday Place, Northwest, Robert and Beth Burchard, are seeking a zoning variance to construct a 20' by 12' two-story addition to the rear of their house;

WHEREAS the owners have successfully contact all of their immediate neighbors save one, and have not encountered any resistance to the project;

WHEREAS the zoning variance is only required to waive lot occupancy requirements, not setbacks;

THEREFORE, ANC 3-E agreed not to oppose the zoning variance application of the owners of 4417 Faraday Place.

ANC 3-E approved this resolution 5-0 on September 13, 2001. Commissioners present were Jill Diskan, Chris McNamara, Leslie Quynn, Frank Gordon and Tad DiBiase.
