Please answer all of the following questions referencing why the above person should be granted party status.
(If you require additional space, please attach an additional sheet.)

1). How will the property owned or occupied by such person, or in which the person has an interest be affected by the action requested of the Board?
There will be additional noise, traffic + parking problems + more trash thrown in our yard due to the increased number of students.

2). What legal interest does the person have in the property? (i.e. owner, tenant, trustee, or mortgagee)
owner

3). What is the distance between the person's property and the property that is the subject of the appeal or application before the Board? (Preferably no farther than 200ft.)
100 feet

4). What are the environmental, economic or social impacts that are likely to affect the person and/or the person's property if the action requested of the Board is approved or denied?
the increased activity disturbs the peace of a residential area, especially the nearby properties.

5). Describe any other relevant matters that demonstrate how the person will likely be affected or aggrieved if the action requested of the Board is approved or denied. The increased traffic will compromise safety. Less of the scarce street parking will be available for the residents of nearby properties + their guests.

6). Explain how the person's interest will be more significantly, distinctively, or uniquely affected in character or kind by the proposed zoning action than that of other person's in the general public.
All traffic approaching the school from the west or leaving the school in a westerly direction must pass by this property. Pedestrians coming from Connecticut Ave. also pass here.
