RE: ST. PATRICK'S SCHOOL - 4925 MACARTHUR BLVD., BZA NO. 16852

Dear Chairman Griffis,

I am a parent with young children and a resident of the Palisades community. I am writing to support the St. Patrick's proposed school site on MacArthur Boulevard. First, there is currently a huge need for more middle school options in the DC area, and I would welcome a quality institution like St. Patrick's in this neighborhood.

Second, my husband has been a resident of DC all his life and a resident of the Palisades for more than five years, and we feel as a family that the proposed use of this property will both upgrade and benefit the community. We are personally impressed by all St. Patrick's has done to make their application friendly to the neighborhood in terms of parking, traffic, and the like. As DC residents and as neighbors, we welcome them. We urge you to approve their application.

Sincerely,

Rogovin
