Re: BZA No. 16852

Dear Chairman Griffis:

We are writing as members of the Palisades Civic Association in support of the St. Patrick's School expansion on MacArthur Blvd.

We are parents of a child who attended Horace Mann School and another who went to the Community Preschool of the Palisades before attending St. Patrick's. We know the importance and positive impact neighborhood schools have on the community.

St. Patrick's has a long tradition of bringing positive values to the Palisades community. This is the kind of institution we should be encouraging to stay and thrive in our community.

We urge you to support their application.

Sincerely,

Caroline and Hollis McLoughlin
