Re: Support for St. Patrick's School - 4925 MacArthur Boulevard
BZA No. 16852

Dear Chairman Griffis and Board Members:

My wife and I urge your support for the St. Patrick's Episcopal Day School proposal for 4925 MacArthur Boulevard. We do so as two-decade residents of the District of Columbia with three children who value superior educational opportunities as critical to our decision to live in the District.

St. Patrick's has met that educational need, and we wish it to continue to be able to do so. St. Patrick's is an extraordinarily nurturing school and highly sensitive to the neighborhood it operates in. The leaders of St. Patrick's, Katherine Bradley and Peter Barrett, have worked diligently to meet the Palisades neighbors concerns with traffic, trash, parking, and overall quality environment.

We have never written to the Zoning Board, or the Mayor, or any other D.C. Government official seeking a particular position. We do so for the first time, and urge your careful and positive consideration for the St. Patrick's proposal regarding 4925 MacArthur Boulevard. Thank you.

Sincerely,

Charles M. Seeger
