Re: BZA No. 16852

Dear Chairman Griffis and Members of the Board:

I am writing to offer my support for St. Patrick's School's application to place its middle school at 4925 MacArthur Boulevard.

My daughter has been a student at St. Patrick's since kindergarten. She has received a wonderful education not only in academics but also in character development. My wish is that more children could benefit from a St. Patrick's education.

There is a genuine need for more spaces in independent schools at the middle school level. St. Patrick's offers opportunity for many children and provides a service to the community.

I urge you to support their application.

Sincerely,

Pamela Hughes
