Re: BZA Application No. 16852
St. Patrick's School-4925 MacArthur Blvd.

Dear Chairman Griffis and Members of the Board:

As a District resident and parent of a St. Patrick's student, I am writing to offer my support for St. Patrick's School's application to place its' middle school at 4925 MacArthur Boulevard.

The proposed St. Patrick's site is one the few remaining parcels that has not been subdivided for residential development. I am very glad to see the plans for this site. I am pleased with their plans to limit traffic and the parking impact on the neighborhood.

St. Patrick's is providing an excellent educational experience for my daughter and I would love to continue this into middle school. Unfortunately, it is not easy getting this caliber of education, growth, and development in many of the city schools. As a Capitol Hill resident I am dissatisfied with the schools in my area. St. Patrick's meets my educational needs while contributing to the Palisades community. I implore you to please support St. Patrick's application for its' middle school.

Sincerely,

Angela T. Curtis
