RE: BZA Application No. 16852
St. Patrick's School – 4925 MacArthur Blvd.

Dear Chairman Griffis and Members of the Board:

As a teacher and parent of Verity at St. Patrick's Episcopal Day School, I write to offer my support of the proposed use of 4925 MacArthur Boulevard by St. Patrick's School. Over the course of my four years of teaching at St. Patrick's School, I have seen first-hand the need for further educational opportunities for children in the District of Columbia grow. Many talented, bright young students I've had the pleasure to teach have reached the Grade 6 level and found themselves with limited options. I would appreciate having the option for Verity to continue as a student at the school as she is very happy in the community and receiving a solid, challenging education.

St. Patrick's is a school with a clear mission to instill in young people the values associated with caring for a community and recognizing their place as vital, contributing members of that community. In line with that mission, I am pleased to see that St. Patrick's is offering a strict set of conditions to avoid any negative impacts on the neighborhood, and that the Grades 7 and 8 program will include a strong community service component.

Adolescence is a particularly vital stage for young people, and St. Patrick's has developed a program that provides adolescents with a strong sense of community and purpose. Such a program should be welcome in Palisades, which has always existed as a vital, dynamic, and welcoming home to families, schools, and community-minded individuals. I urge you to approve St. Patrick's application.

Sincerely, Elizabeth Allen

Elizabeth Allen, Grade one homeroom teacher St. Patrick's Episcopal Day School
