Re: BZA Application No. 16852
St. Patrick's School- 4925 MacArthur Boulevard

Dear Chairman Griffis and Members of the Board:

As a resident of the Palisades Community since 1951, and as a grandparent of a St. Patrick's student, I am writing in support of the proposed use of 4925 MacArthur Boulevard by St. Patrick's School. I have also been a resource teacher at St. Patrick's for the past eleven years. Having been such a long time resident, I remember when this property housed the German School and to my knowledge has not been a residence since we have lived here. My children enjoyed the benefits of St. Patrick's pre-school program and the teen program in the old location, and now my grandson is receiving an excellent education in the elementary school. Hopefully he will be able to continue at St. Patrick's through middle school.

St. Patrick's has always been an active and responsible part of our community. They have answered the concerns of neighbors from traffic to trash , unless it is simply the presence of children that is the major concern, and this is inconsistent with the basic values of our community.

As a fifty year resident of the neighborhood and as a grandparent and teacher, I urge you to approve St. Patrick's application.

Sincerely

Natalie Mulitz (Mrs. Lewis)
