Dear Chairperson Griffis and Members of the Board:

The Washington Aqueduct Division and St. Patrick's Episcopal Church and School ("St. Patrick's") are currently processing an easement agreement that will formalize our approval of St. Patrick's continued use of a portion of our property for parking space use. The Washington Aqueduct Division does not have any objections to this continued use by St. Patrick's.

If you have any questions or need additional information, please contact Sandra Souders. She can be reached at (202) 764-2774.

Sincerely,

Thomas P. Jacobus
