RE: BZA Application # 16852 – St Patrick's 14925 MacArthur Blvd

Dear Chairman Griffis and Members of the Board;

As a resident of Ward3 and a parent of 5 school aged children, I wish to offer my support of the proposed academic use of 4925 MacArthur Blvd by St. Patrick's Episcopal Day School. I am concerned with the ever-dwindling middle school options in the District. I am ecstatic St. Patrick's is trying to meet the need.

St. Patrick's has always been a good neighbor, and has gone the extra mile to maintain the integrity of the neighorbhood. Understanding the traffic concerns, I believe the shuttle bus proposal will avoid the possiblitity of congestion. There is ample parking on the existing site, elimininating the need to park on Ashby Street. I believe this would be perfect use of this property.

For all of these reasons, I lend my whole hearthearted support to St. Patrick's application.

Sincerely,

John M. Williams
