Re: Holliday Application for construction at 315 East Capitol Street, S.E.

To Whom It May Concern:

I am writing in support of the application for variances for Charles and Susan Holliday for their proposed residence at 315 East Capitol Street, S.E. I believe that this construction would be a logical and practical fit for the limitations of the lot. I also believe that the exterior design would blend in nicely with the existing houses on East Capitol Street and would certainly be a greater asset to the neighborhood than the empty lot that currently exists.

Sincerely,

James Gorab
