Re: BZA Application No. 16854; Motion of Applicant for Continuance for One Hundred and Twenty (120) Days

Dear Mr. Griffis and Members of the Board:

The Applicant submits a motion for a continuance for one hundred and twenty (120) days in this matter. If granted, this continuance would result in a deferral by the Board of its decision on the pending application, currently scheduled for September 17, 2002.

In support of this motion, the Applicant offers that this continuance will allow the final processing of a matter of right building permit. Upon issuance of this building permit, and the passage of a reasonable period of time for review thereof, the Applicant intends to withdraw its pending application.

For the these reasons, I respectfully request the requested continuance be granted.

Sincerely,

Mr. Charles Holliday
