Re Application Number 16855

To whom it may concern,

As long time owners of home & property at 1600 45th St. NW (corner of 45th & Q Sts NW), we strongly object to the proposed extensive of Rock Creek International School to include an additional grade.

The neighborhood is already congested & exiting our street in any direction between 8am & 9am & from 3pm to 4pm each week day is extremely difficult. Additional congestion is caused by after school activities after school hours & weekends at Rock Creek & ~~other~~ other school neighborhood schools - makes parking near our home impossible.

The situation in general has already created a hardship for us who reside there. Further expansion of the Rock Creek school would add to the situation
