RE: BZA Application No. 16864 – La Clinica del Pueblo

---

1. Staff contacted the applicant in the above-cited case by telephone on February 21, 2002, advising that the plat submitted with the application did not meet the filing requirements. The file must be supplemented with a plat provided by an architect or engineer certified in the District or the D.C. Surveyor's office.

2. BZA Summary Order No. 16500, dated December 7, 1999, approved the same relief being sought in the subject application. The order expired when the applicant did not obtain a certificate of occupancy for the use within the two (2) year validity period of the order.
