Dear Zoning Review Branch Members:

This letter is in support for La Clinica del Pueblo's re-application for a Parking Variance for Applicant's Property at 2831 15th Street, N.W., which is scheduled to come before you on May 14, 2002.

La Clinica del Pueblo has been servicing our communities for almost 20 years. They have delivered invaluable services in its mission to improve the quality of health care for Latino residents in the District of Columbia. Most of their clientele are from the immediate surrounding communities who often walk to the neighborhood clinic. As a former Executive Director of a health care organization, I recognize and understand how essential access to these services are to minorities.

I strongly encourage your endorsement and approval of La Clinica del Pueblo's application for zoning variance, and I look forward to a favorable outcome. Please call me at the office if you would like to contact me.

Sincerely,

J. Graham
