RECEIVED

Dear Commissioners:

On May 14, La Clinica del Pueblo ("LCDP") will have a hearing before you that will decide their future, and I urge you to rule for a second time in the clinic's favor.

On November 3, 1999, the Board ruled that LCDP was entitled to a zoning variance for parking at its planned new home at 2831 15th St., NW. That variance has expired, and it is the matter before you now. Without approval of the variance, LCDP cannot begin its renovations on the new building.

It is difficult to overstate the vital service that La Clinica del Pueblo provides to District residents. A new location will allow them not only to continue, but to expand, the exemplary work done by the clinic.

Sincerely yours,

David A. Catania
Councilmember (At-Large)
