Re: ***BZA16874 – 4912 Quebec Street NW – Request from Peter Anthony and Michelle Pablo for a 1.5 Side Yard Variance to Demolish an Existing Left Side /Rear-Sun Room and construct a Two-Story Addition***

To whom it may concern:

We are the Anthony's left-side neighbors and support their request for a variance to demolish the existing sun-room and construct a two story addition in accordance with the plans that have been submitted.

Our house sits alongside the existing sun-room and we feel comfortable with the planned construction.

Sincerely,
