Re: All Souls Episcopal Church (BZA application No. 16875)

Dear Mr. Griffis:

The purpose of this letter is to make you aware that I support the zoning variance request made by All Souls Episcopal Church (2300 Cathedral Avenue, NW). I support this application because it will add seventeen, weekday parking spaces to Ward One. As you are aware, these spaces are highly desired by my constituents (residents and business owners).

I am also assured that All Souls Episcopal Church has received support from a number of community representatives. These include commissioners in Advisory Neighborhood Commission 3C as well as the Woodley Park Community Association.

Presently, this location is a underutilized vacant lot that sits next to the church. By allowing this variance, you will allow All Souls Episcopal Church to transform this area into desired and much requested parking spaces for residents and businesses.

I urge your favorable consideration.

Sincerely,

Jim Graham
