Re: All Souls Church Parking Lot Application No. 16875

Dear Mr. Griffis:

Please be advised that I am withdrawing my support for the application of All Souls Church to commercially lease its parking lot.

I do so because it appears that there was not compliance with Board of Zoning Adjustment requirements that there be notification to residents within a 200 feet radius. There is concern whether a substantial number of neighbors on Woodley Place and Cathedral Avenue were not served with notice. Additionally, 65 neighbors signed a petition stating that they had not received notice that the Church was seeking support of its proposal from the Woodley Park Community Association or ANC .

Therefore, this matter should be reconsidered, and proceed with the required notification.

Sincerely,

Jim Graham
