Dear Mr. Griffis:

This letter is an amendment to the Nebraska Avenue Neighborhood's Submission to the Board of Zoning Adjustment, dated June 4, 2002. That submission was for Appeal No. 16879 to be heard on June 18, 2002.

We hereby incorporate by reference permits B435464 and B442140 and the entire application materials for those permits which are part of the public record at the Department of Consumer and Regulatory Affairs ("DCRA"). We incorporate all materials which were part of all required review processes, including design drawing and technical information sheets, environmental impact assessment, traffic evaluation, and health evaluation and all Plan Correction Lists prepared by DCRA staff and responded to by the applicant for the permits.

Although this letter and amendment is submitted one day after the submission due date of June 4, 2002, we request waving of that requirement for this submission. Due to the scheduling of the public meeting to vote on the Sunrise Assisted Living motion on June 4, 2002 as well as Dr. Chiapella's 2-week jury duty service in Federal District Court, this response is being submitted a day after the official due date.

Thank you for your attention to this request.

Yours truly,

Page Chiapella
