Subject: Corner Store - 5th and Shepherd Streets, NW

Mr. Lee:

I live in the 600 hundred block of 5th Street, NW near Taylor. This corner store has the following issues:

1. Not very clean (some neighbors have seen dead rodents).
2. Temperature in the store is very warm, (hot), no air conditioner for shelf items. (Neighbor complained yesterday that she had to send milk back three times because it was stale.
3. Do not charge the same price from day to day on the same items.
4. Lock children in the store because they suspect that they are stealing but have no proof (an adult was with the child).
5. Do not give back correct change especially to the seniors and children.
6. Over charge tax on items.

I have a copy of a petition (I can fax a copy to you) that has been signed by 62 constituents in support of the protest organized by the Mt. Carmel Christian Faith Center along with the members of the church, to picket, and demonstrate against the owners of the corner store. Hopefully, we will be able to demonstrate next week.

Anything you can do to assist would be great. Thanks for everything.
