My name is James Welch
I live at 4003 5th St. N.W.
I'm writing in refrence to the corner store at 5th and Shepherd St. N.W. The store has been there for many years, and is an asset to the community. The new owner is a nice woman. She tries to serve Neighboes, with respect, as well as individual needs. If she dosn't carry a product that you need, she will order and stock that item for you. Most of the residents are Elderly people and depend on Children to go to the store for them. The other stores in the Neighborhood are a five to six block walk. This makes it difficult for young Children to go, as well as Adults. This is why we need the convenience of that store. The store is also kept neat and clean. She also want's to serve hot coffee and Hot dogs ect to better the needs of the community. All in all I think tha the store is a good thing.

To Whom It May Concern,

My name is LAURA A. Bailey and I reside at 540 Shepherd St, N.W. D.C. 20011. This letter is to inform you that the convience store located on 5th & Shepherd St, N.W. is well needed in the neighborhood. The store was there when I moved in the neighborhood 40 years ago. I was 42 years of age as of September 8, 2002. I've never heard anyone complain about the store because the next best thing is the Safeway located about 6 blocks away on Georgia Ave. N.W. Senior Citizens can't always get to the stores on the Avenue. When the weather is bad or holidays are upon us, we can always depend on the convience store on 5th & Shepherd St, N.W. to be open. Although there have been several owners of the store it has been well kept.

Thank for your cooperation

Laura A. Bailey
