RE: BZA Application No. 16882 – Application of The Embassy of Algeria

At the regularly scheduled meeting on April 20, 2002 for which notice was posted 7 days in advance, Commissioners Carter and Salonia met, thus forming a quorum, and voted unanimously to support the application to add an addition to the rear of the Algerian Embassy with the provision that the Embassy present an alternative to orange cones at the front of the Embassy on Wyoming to prevent parking. At the May 28, 2002 meeting the representatives of the Embassy provided acceptable alternatives to the cones.

Thank you for your consideration.

Sincerely,

Marlis Carter
ANC 1D – Vice-Chairman
