Re: BZA Application 16886

Dear Ms. Kress:

This responds to your reference dated April 10, 2002, requesting review of this application in the light of its location in the Capitol Interest District, 11 DCMR, Section 1200 et seg.

The request of this applicant to construct an addition to the house, maintaining a residential use, would create no adverse affect on the Capitol Complex or the Master Plan referred to in 11 DCMR 120.1, or the other special objectives for which the Capitol Interest District was enacted.

Sincerely,

Alan M. Hantman, FAIA
Architect of the Capitol
