DATE: June 18, 2002

SUBJECT: BZA Order #16894 Special Exception Request
Chapel of St. Phillip the Evangelist
2001 14th Street, SE
Washington, DC 20020

The Department of Health, Health Regulation Administration, Child and Residential Care Facilities Division (DOH/HRA/C&RCFD) recommends the applicant be granted special exception to establish a licensed child development facility (center) at the above-mentioned address. The establishment of a child development facility would greatly assist in meeting the critical demand for child care in the City.

The applicant filed an application to establish a child development center with C&RCFD on December 14, 2001. The facility received its initial pre-inspection on January 11, 2002 and feasibly proposes to enroll approximately ninety-five (95) children, ages six (6) weeks through twelve (12) years of age and twenty-one (21) staff.
