RE: BZA Application No. 16896

Dear Chairman Griffis:

This letter is to inform you that ANC 7B voted at its regularly scheduled meeting, Saturday, June 15, to support the proposed Randle Highlands Manor Senior Assisted Living Facility to be located at 2700 R Street, SE. We believe the project will meet the need of quality, affordable living for senior residents in the District of Columbia who are in need of assisted living facilities.

We also recognize the importance of having such facilities available in the District to allow senior citizens to remain near their life long homes, family and friends so that they may live a better quality of life in the comfort of familiar surroundings in their retirement years.

Sincerely,

Roscoe Grant Jr.
