Board of Zoning and Adjustment

Washington, DC 20001

Dear Chairman Griffis:

I am writing to express my support for the Randle Highlands Manor Assisted Living Facility development project proposed to be located at 2700 R Street, SE. This project, if allowed to move forward, will help senior residents of the District of Columbia who are in need of assisted living find quality, affordable housing. The existence of such facilities in the District will allow more senior citizens to remain near their life-long homes, family, and friends, allowing them to enjoy a better life in the comfort of familiar surroundings during their retirement years.

Please do not hesitate to contact me if I may be of further assistance.

Sincerely yours,

David A. Catania
