Board of Zoning and Adjustment

Washington, DC 20001

Dear Mr. Griffis:

I am writing to express support for the proposed Randle Highlands Manor Assisted Living Facility development project to be located at 2700 R Street, Southeast. This proposal has the support of the local ANC, as well as numerous other community organizations, and a favorable recommendation from the Office of Planning. There is an unmet need for quality, affordable housing for senior residents in the District of Columbia who are in need of assisted living facilities. I understand that this will be the only assisted living facility located east of the Anacostia River, if approved.

I urge you to give great weight to the views of the ANC.

Sincerely,

Phil Mendelson
Councilmember At Large
