Dear Chairman Griffis:

I am writing in support of the proposed Randle Highlands Manor Assisted Living Facility development project to be located at 2700 R Street, SE. This project, if approved, will meet the need for quality, affordable housing for senior residents in the District of Columbia who are in need of assisted living facilities. Such facilities ought to be available in the District to allow senior citizens to remain near their life-long homes, closer to their family and friends, thus allowing them to enjoy better quality life in the comfort of familiar surroundings in their retirement years.

Please do not hesitate to contact me at (202) 724-7772 if I may be of further assistance.

Sincerely yours,

David A. Catania
